Many multiple user licenses of Project Tutor are purchased with upgrade assurance. This option provides you with automatic upgrades to the latest Project Tutor version whenever upgrade assurance is in place. Upgrade assurance is charged annually at 15% of the license cost for the number of Project Tutor users that you have. For example, upgrade assurance on a 100 user license of Project Tutor is NZ\$1,350.

Licensing Project Tutor may be installed on stand-alone machines or accessed via a corporate intranet. A license is required for each individual who will access Project Tutor or undertake a Personal Learning Plan. End User License Agreement (EULA) details are available on our website. Following purchase, license and registration information will be confirmed by email.

GST All purchases within New Zealand are subject to Goods and Services Tax at 15%.

Shipping For Download and DVD purchases, Project Tutor will be shipped on DVD. Shipping by Fast Post is free to any NZ destination.
